The article is also displayed as 'View More' link. When I click the 'View More' link, the article div is replaced by the 'Loading View More' message. When the message is loaded, the div is replaced by the article content. My problem is, the parent div is not properly updated and become #articles. It should be #articles div \$(document).ready(function () { var timeout = 5000; setTimeout(function () { \$('#articles > div').find('.article-show-more').load('/article/showarticle', function () { setTimeout(function () { \$('#articles').replaceWith(\$(this).html()); \$('#articles').empty(); }, timeout); }); }, timeout); }); HTML: Sitemap for Sitemap Miscellaneous 3e33713323
