However, I have installed the Sketchup Pro 2017 version, I have a question, why do I get a message saying that Sketchup Pro 2018 is already installed on my computer when the Sketchup Pro 2018 version was downloaded from the Trimble website? Apr 14, 2021 Hello folks i have problems installing Sketchup Pro 2018. I have followed all the instructions on this page : or this one : and I have installed successfully. My issue is that I get every time an invalid license message, saying that i do not have a valid license. I have a valid license. I have printed it and every time i open Sketchup, the license is not valid. The first time, the license opens and I get the error "The right to use the license is being denied" until i press ok. The second time, the error is "The right to use the license is being refused". I don't understand how to solve it. I have uninstalled and reinstalled, and it does not solve the problem. I am stuck. Please help Nov 14, 2017 Hi folks, ive just installed Sketchup
