Free Video Compressor Download

Compress any video into a smaller size at an incredible speed. The Compress.net Video Compressor is a multi-format capable software which enables you to reduce the size of any video file by as much as 1:99 or compress a video to the size of a CD disk. The Video Compressor can be an indispensable tool when you need to shrink a high-quality movie to fit your mobile device or storage media. The decompression quality of the video is not adversely affected and only takes a couple of seconds. If you know the video size you want, it is very easy to set it. The most interesting thing about the Video Compressor is that it is an easy-to-use tool which does not require any special software or skill to operate. You can use the program right away and do not need to download any extras. Here are a few things you can do with the Video Compressor: * Save a video in several formats, ranging from MPEG-4 to 3GP and WMV. * Compress any video into a smaller size at an incredible speed. * Decompress any video into the original format. * Edit any movie to resize it. * Extract the audio from the video and store it as an MP3 or WAV file. * Remove the audio from the video. * Cut out a

specified number of seconds from any movie. * Set the video quality, framerate and bit rate. * Extract the audio from the video and store it as an MP3 or WAV file. * Extract the video from the audio. * Process multiple files at the same time. * Limit the decompression time. * Order decompression in priority. * Filter out the media content. * Extract audio from the video. * Scale the video to a certain size. * Keep a record of the process. * Retrieve the video after compression. * Change the video encoding format. * Save the video in any given folder. * Remove the image watermark from the video. * Make the video play in the background. * Convert any video to any other format. The program supports these file formats: * AVI, FLV, MP4, 3GP, WMV, ASF, TS, MPG, XVID, MKV, MOV, VOB. * The Compress.net Video Compressor software is a free application that allows you to

Free Video Compressor Crack License Key Full [April-2022]
