In that time period, there were 60 offers to sell sex and 18 offers to buy sex. The newest craigslist app for Android puts a little bit of a damper on that trend. In an interview with Re/code, Craig Newmark, the founder of Craigslist, said he didn't know if the app was the beginning of a trend or the end of an era. The closest thing to a general rule for Craigslist's declining sex ads is that the service is moving to be a sex in a closet. Back in the day, guys would advertise for sex in various DOW and .
